A DAY OF TEAMWORK, GENEROSITY, AND SUSTAINABILITY - PROVING ONCE AGAIN THAT THE UM COMMUNITY TRULY CARES! 💚🌍

Feeding Hope: **UM Panabo Alumni** Share Love with Katipunan Learners

The **UM Panabo Alumni Association** extended its heart for service through a heartwarming Feeding Program held on October 10, 2025, at Katipunan Elementary School and the Day Care Center of Brgy. Katipunan, Panabo City. With a total of 190 elementary pupils and 25 day care children served, the activity became a meaningful encounter between the alumni volunteers and the young learners of the community.

The initiative was spearheaded by **Alumni President, Hon. Jose E. Relampagos**, and was graciously represented during the event by **Alumni Vice-President, Mr. Jose Darwin Clark Solicar**, who personally assisted in the distribution of meals and extended warm messages of encouragement to the children. Their leadership reflected the association's continuing mission of fostering generosity and community engagement beyond the university walls.

Also joining the activity was Ma'am Ma. Eufemia S. Verdida and Ma'am Liza D. Estillore, members of the Alumni Association's Board of Directors, together with selected UM employees who volunteered their time and energy. Working side by side, the team prepared and served the meals, ensuring that each child received not only nourishment but also a moment of care and attention.

The school grounds were filled with laughter and excitement as the children enjoyed their food and interacted with the volunteers. For the alumni, the experience served as a touching reminder of the impact of simple acts of kindness. The Feeding Program underscored the alumni's dedication to uplifting local communities and keeping the spirit of UM service alive—one warm meal and one bright smile at a time.
